hi mr kelly,  
 i have been trying to reach you for a while, left several messages on your machine, but no response.  
 the last time i spoke with my cousin( dr Igberase) was about 3 months or so in nigeria. he told me he will be either in florida or louisiana when he comes back to the country. i haven't spoken with him since then.  
 i don't know if he's back or not.  
 i wonder why he gave you this e-mail address. he does not use this address any more. he uses igberaseoluwafermi@yahoo.com at least as at when he last e-mailed my sister.  
 i hope to talk with you soon.  
 you could reach me at home (301)482-1441.  
 thanks for your usual support,  
 sincerely,  
 john Akoda M.D.
